Set within the sought-after Eleanor House, a McCarthy & Stone retirement complex, which is exclusively for people aged 70 years and over.

The development is thoughtfully and beautifully designed, offering private apartments with additional fantastic communal areas including the fabulous gardens and homeowners' lounge for socialising with friends and family. There is a chef run restaurant providing a 3 course table service lunch every day as well as a laundry room with washing machines and tumble dryers.

The service charge (paid for by the Landlord) includes the cost of an on-site team led by an Estates Manager, who provide a 24/7 response to residents. In addition, the charge includes 1 hour domestic assistance per week and the upkeep of all communal areas and gardens. The development is also set up to provide extra personal care packages and domestic help if required. For your reassurance, the development is fitted with 24-Hour CCTV and a secure entry system.
