Main Particulars

A bright and spacious two bedroom first floor maisonette refurbished and finished to a high standard throughout. Upon entering through your own front door, stairs lead to the first floor opening up into the living room, which is dual aspect, and bathed in light. This room can be configured in different ways but has plenty of space for sofas and a dining table. A lovely kitchen is off the living room with fridge/freezer, hob, oven and washing machine. An internal hallway leads to a modern new bathroom suite and two bedrooms, one with built-in wardrobes and the other with the immersion tank and storage space. There is a communal garden to the rear with a clothes drying area and access to an allocated parking space along with visitors bays. This is a small development of 10 apartments in a quiet area close to Hatfield Town Centre with excellent commuter links to Hertfordshire and London. Additional benefits include gas central heating, loft space and Low energy costs due to a well insulated building, and hence cool and natural ventilation in the summertime. AVAILABLE IMMEDIATELY. UNFURNISHED.
